I love foreplay  
because it gets  
me really wet.  
I get myself  
ready for my guy  
by sticking my  
fingers into my  
pussy to prime  
the hole. When I  
feel it's ready, I'll  
have him lick me  
and get me even  
hotter. Then he'll  
guide his hard  
cock into it. I  
can't wait for him  
to fill my wet  
hole with his  
hard cock.

I love to have sex because sex is a great workout. That's what foreplay is all about. It's kinda like the warm-up before the game. And I like it a lot. Especially working out on a huge cock. It strengthens my arm muscles and my mouth muscles. And for the guy, if it gets worked on a lot, it gets bigger and bigger, and harder and harder. That's pretty cool. So tell me guys, do you like foreplay? Do you need someone to warm up with?

## OMG Charmane,

## No time for smalltalk

Kudos to you for highlighting Charmane Star on the cover of your magazine, and of course, on the insides. I also have to say, I absolutely love the video. I have to say that I am a big fan and I get her autograph anytime she's in Southern Florida. Although I don't make it a habit to visit gentlemen's clubs, I go anytime and anywhere she appears. Maybe she'll sign my mag!

— Bob, Miami

My neighbor and I grew up together. After college, she got married and a couple years later came back to the neighborhood house with her husband and they settled in and made it their own. She seemed happily married but her husband was always at work and when he got home he ignored her and she finally kicked him out of the house.

Anyways, I noticed that she would always kiss me on the cheek when I would say 'Hi.' And I also would notice her nice round butt and her firm boobs like. One time I saw her getting home with groceries and I offered to help her. At 5 foot 2, she struggled with the heavy-looking bags. She was so thankful I was there to help. She was wearing yoga pants and a really tight white T-shirt.

I take the bags into her kitchen and set them where she points to on the counter. She offered me water and points for me to sit at the table. She comes and sits next to me and hands me the water. Without hesitation, and to my total surprise and shock, she puts her hand on my crotch. I didn't know what to say, only that I wanted her. She stood up and took her clothes off and said "Fuck me everywhere in this house," so we started in the living room she gave me head like no other. Sucked on it like an ice cream cone. She deep throated me and chuckled and left my dick covered with saliva. Then we went to the shower and did her there, too.

Then to her room, both of us naked, where she sucked my nuts then my dick. I fingered

her and let her ride me. I kissed her on the neck and breasts while she rode my dick, her ass bouncing, her screaming. Then I fucked her doggie and she cried. I kept pounding it, but she wanted more so I went harder and faster. We became a bit sweaty but we both got more turned on, so we 69'd and ate each other out.

She sucked me up good and I cum in her mouth while she sucked. It felt like she sucked all the energy out of me. Up to this day we still fuck because she likes my cock so much. I visit her and she's always ready to give me head. We are still neighbors, both re-married, but we still find time to screw each other.

—Jao, Portland

## Pool players

Our neighbors Ryan and Jenna are great friends of ours. My husband Jack and I have known them since the day we moved in five years ago when they arrived with a bouquet of flowers, baked goods, and a bottle of wine. Ryan and Jack golf together, fix their cars together, hit the bars together, and are pretty much inseparable. Jenna and I also enjoy a great relationship. The four of us regularly get together for cookouts, go to the movies, and even vacation together.

One Sunday, Jack and I (Hi, I'm Bev) were at home sitting out by the pool drinking apple martinis. The sun was shining and the temperature was perfect, a nice breeze blowing gently. I was wearing a new ultra-slimpy bikini that I'd picked up the other day. Very clearly Jack approved. Earlier he'd chased me around the pool slapping my ass, snapping the bikini-top strap, and

trying like hell to pop out my boobs. Feeling loose now, I felt it was time for more tanning and undid my top and gave my boobies a little shake. "Keep doing that and your tits won't have a chance to tan cuz they'll be covered with my face," Jack said. "Yeah?" I chided him, tweaking my nipples. "Maybe tanning's not all they want."

Jack didn't need any more incentive. In no time he was out of his chair and straddling me. His hands locked onto my 34 Cs and started massaging them firmly. Jack bent down and took one of my erect nipples into his mouth, sucking and teasing it with his tongue. Then he tried to take my whole breast into his mouth while his other hand continued fondling the other. I moaned a little, my pussy moistening from his touch. I could feel his hard cock rubbing against my thigh, and I couldn't wait for my chance to put it in my hole. Jack leaned back, patted my clothed pussy and reached over to grab a towel. He placed the towel at the foot of my reclined pool chair, kneeled on it, and pulled me forward by my legs. His hands reached up and slid off my bikini bottoms, exposing my wet, shaved pussy to the warmth of the sun. "Looks like you won't be tanning here either," said Jack, tongue out, eagerly diving into my beaver.

It was at that very moment that our pool gate swung open and through it walked a smiling Ryan carrying two six-packs. One of them crashed to the ground when he saw Jack's face buried in my pussy. Jack

jerked upright and spun around as I grabbed a towel. I was totally embarrassed and Jack was on the verge of turning beet red. There was an extremely awkward silence as Jack and I stared at Ryan and him at us. Finally, Ryan spoke. "Sorry Jack. It looks like I interrupted your lunch. We'll just go and come back at a more convenient time." Jack and I broke up laughing, and so did Ryan. Jack stood up and just as he did Jenna bounded through the gate. "Hey y'all!" she said, and then her eyes fell upon the scattered beer cans on the ground. Then Jenna glanced over at me. I was still sitting on the pool chair sheepishly, barely covered by the towel. Quizzically, Jenna now looked over at Jack, and as her eyes ventured downward they were treated to the sight of Jack's raging hard-on threatening to rip through his shorts. Jenna looked at Ryan, who shrugged, and then turned back to Jack.

"Nice package, Jack," she said. "I didn't know it was going to be that kind of party. I guess I better adjust my attire," and with that Jenna undid her bikini top and let it fall to the ground. Jack's jaw dropped. As Jenna made her way to the empty pool chair next to me, she grabbed a beer from the remaining six-pack and patted Jack's cock as she passed him. Now it was my turn for a jaw drop, but quickly I closed my mouth and didn't say anything. I wouldn't say that I was in shock, but I was definitely

#### Mad 4 Max

*When I saw the layout of Max Mikita taking it up her ass, I creamed in minutes – no make that seconds. She's such a hotties and totally like a sex freak. She may not have the biggest of boobs, but I like that anyway. But what I especially dug was the fact that such a huge cock fit in her ass, in different positions, with ease. I wouldn't forget her pussy, either. It must be soft and sweet smelling, like ambrosia. I can only hope that one day, I'll be down there close enough to enjoy it's musk. Till then, I'll dream on and hope for it one day.*

– Dave, San Fran.

a little bit out of my comfort zone and feeling a bit vulnerable. Jenna sat down in the chair next to me and cracked open her beer. Ryan walked up to Jack and said, as if he were discussing a carburetor or a five-iron, "Jenna's found you pretty damn attractive ever since we met. Any chance you and Bev are into the swing-thing?"

Jack and I watched our fair share of porn together over the years, so group sex wasn't completely unfamiliar to me. Jenna's hand was now sensually massaging my thigh. Jenna seemed to be reading me again when she abruptly leaned over and kissed me, threading her tongue passionately between my lips. Jenna's exposed breasts pressed firmly against my toweled ones, and the heat between us increased. In the background I heard footsteps and then felt hands caressing the sides of my breasts and my stomach.

Ryan's hands slipped more firmly between Jenna and me and pulled me backward, breaking our kiss. He turned my head and replaced her lips with his own, simultaneously removing the towel from the equation. One of his hands cupped a boob while the other found my hot pussy, parting my lips with his fingers. I gasped and relaxed into him. Emboldened, he ventured one finger into my pussy while the other ran circles around my clit, his cock now throbbing against my back. I opened my eyes and saw that now Jack was lying in the other chair and Jenna had her lips wrapped tightly around his erect cock, his shorts at his ankles.

All of a sudden I heard a splash and looked up to see Jenna and Jack in the pool. Jack grabbed Jenna by the waist and with the help of the water lowered her onto his cock. Jenna wrapped her arms around Jack's neck as he propelled her up and down.

Ryan and I stood up, and he dropped trou. I grabbed him by his impressive manhood, led him over to the pool, playfully pushed him in, and then jumped in myself. Again my hand found his cock in the water and I stroked it a few times before Ryan picked me up by the waist. I kicked up my legs and wrapped them around him as I sank slowly down onto his waiting shaft, gasping as it parted my pussy lips and inched up inside me. Ryan's cock felt amazing inside me, and between that and the water I was in heaven. Over and over again he pumped me up and down, our fuck parts grinding together in rhythmic bliss. All of a sudden I felt Jenna's smooth back against mine. Jack had navigated her through the water to Ryan and me, all the while maintaining his cock inside of her. w

Back to back, the guys fucked Jenna and me. She and I moaned while the guys grunted. Quickly we fell into a rhythm. The guys fucked us harder and then as if by some crazy sex magic, Jenna and I screamed and we all came at once! After each of us caught our breath, we sat in the shallow end and made small talk. "Now who else can we fuck?" I said. Jenna's mouth popped open in disbelief, and then it quickly turned into a sly grin. He pulled me closer to him and grabbed my pussy. "Anyone you want, babe. Anyone you want." and kissed me deep by the grill.

— Beverly, Reno

### **Mama Mia!**

*Yeah! I said it, Mama Mia!*

*What a babe, I mean woman, Mia is. I like em just like her. No skinny waifs. I want more cushion for the pushin'. I like full boobs that I can spend some time playing around with. And that beautiful face. One that I could look at for hours, or days. Or I can dream.*

A woman with long dark hair is posing on a wooden staircase. She is wearing a pink and white plaid, off-the-shoulder crop top with white lace trim and a matching plaid skirt tied around her waist. TWO GUYS MAKE A PERFECT FIT

One day I asked my new wife, Alexa, while we were in bed and a little tipsy, "What would you do if you could do anything at all?" She thought a while and turned red. "Well, I am not sure how you're going to react to this but..." she stopped. "No never mind." she said. "What is it?" I asked her. "I just can't tell you." she said again.

# Keni makes her day

She takes a long sip of her cooler and I settle back against the headboard. "Take your time, babe." I say to her. Hesitantly she begins. "When I was at college, there was a guy that I thought was great looking and I think that he liked me, too. We kissed a few times and I felt his cock and he sucked on my boobs. We were in a lab room do-

I got another wine cooler for each of us and we sipped them down as she was still thinking about how and what she was going to tell me.

I tried another tact to get her to talk. "I asked you... so I cannot hold anything you say against you,

you know. I have done a lot of things so I can't be a hypocrite." I kissed her on her full lips and down to her pert nipples making her squirm. "Okay then, but remember, you made me tell you." she said. "Okay, go ahead." I said. "I'm ready."

ing that, but when we heard foot-steps coming down the hallway, we broke it off. We didn't want to get caught and then suspended." Now she got quiet. "Do you want to finish?" I asked her. "Well, just once, I would like to do it with an Asian guy." I told her that I could

understand her curiosity. We made love again. The day had been really nice in bed together and I began planning how she could have her fantasy fulfilled. It took a couple weeks. One idea was to have her bring a toy with her, a nice fleshy dildo, and when we were at the park or elsewhere, I told her to close her eyes and pretend it was another lover that was in her with me there and enjoying every bit of it. She always had some explosive orgasms but was shy afterwards.

One Saturday, I arranged for a friend to meet us at a nice hotel in the center of town. Keni was my height, about six-foot, but unlike me, he kept yachting professionally after we finished college, so he was buff and built. I asked him if he would like to join us he was more than happy to say 'yes.'

Alexa and I got to the hotel early for some fun on our own and it was worth it. As I said, she's pretty shy, but when you get her alone she turns into this wild sexual animal any man would love to fuck. But lucky me, she's mine. I undressed her; we played a little rough as she liked and after a good spanking, I ate her thru a couple orgasms. Around noon there was a knock on the door and she looked at me, "Who can that be?" she said. "Why don't you answer it?" I told her. "Are you serious?" she said. "Leave your clothes on the couch and go to the door – just like that." She stood there looking at me, stunned. I had never said anything to her about a visitor.

"I'm not answering a hotel door naked, are you crazy?" she said. I guess she had a point. "Then I'll get it." I said, headed for the door and opened it. There was Keni, well built and good looking, smiling and fist bumping. "Am I late?" he asked coyly. "You're timing's perfect." I told him to come in.

"What is going on?" she asked.

"It's your fantasy, my dear." I told her. "She does look good." Keni said as he sat on the edge of the bed and introduced himself. "I think we can really give her a nice time today." Keni leaned her back against his chest and kissed her neck, one of the weak spots I told him about. His hands came around to her breasts and took the left nipple gently and began manipulating it, pulling and massaging. He kept kissing her neck as I moved to the other side of her and took her other nipple in my mouth sucking, then licking it. She began to moan and her eyes closed, "Mmmmm, I can't believe this is happening." she moaned.

We encouraged Alexa to lay back on the bed with me on one side and him on the other. We started kissing her all over, kissing and sucking her spots that got the best results, making her cum without even touching her pussy. Keni stood up and stripped in front of her. Her eyes grew wider as he exposed one of the largest cocks she had ever seen. It was about eight long inches and very thick. She reached out and took Keni's cock

in her hands, massaging it slowly as I sat next to her. I noticed that she kept her eyes on the object of her desire in her hands as Keni

watched her and smiled, moving his hips in time with her hands.

She then took his cock slowly into her mouth, inch by inch, until it was almost all the way down her throat. I moved to her pussy and was eating her out as her other hand found my thick tool. Keni pushed into her mouth deeper and said, "I hear you like to suck and swallow." "Yes, I love it." she said.

She moaned as he pushed his cock deeper into her mouth. I was still eating her pussy when he sped up and shot his load as she struggled

to swallow all of it. He sat next to her after she let his cock go and he began kissing her again, I got up and told Keni that Alexa's pussy was ready for him.

He then moved her up on the bed and got between her legs, pulling and spreading them so that they were over his shoulders. He put the head of his thick rod to her pussy lips and began pushing in.

I moved so Keni could have full control of her hips and he began pounding her pussy deep and hard. Alexa had a couple more orgasms in quick order and was going for another when Keni tensed up and filled her with his second helping of cum. It seemed like he unloaded for ten minutes. Alexa later told me she had three orgasms in a row, one stronger than the other as he filled her.

He put her legs down and I got my cock into her pussy, sliding it slowly in to the point that she was moaning again. Harder harder, I fucked her harder, ramming all the way into her with every stroke. I was ready to cum but she cried out for me not to stop, but all I could do was put it off for a few more strokes.

I couldn't hold off any longer and burst inside her pussy making her moan louder than I have ever heard her. But she didn't cum, so she reached over and grabbed Keni and began sucking him trying to get him hard again.

He obliged and within a couple minutes managed to get hard and slide into her. Boldly, she told him to fuck her pussy hard, really hard – ram it in. She repositioned both of us so she could sit on my cock, taking it into her ass, then took Keni again into her pussy. Then she began having orgasms over and over again soaking the three of us with her lady juices squirting from her pussy. I filled her ass as he again filled her pussy.

We all collapsed on the bed, Alexa still trembling and shaking with aftershocks of her orgasms. She moaned, "Please stay in me, don't get out yet." Keni pushed his half hard cock back in and she lay there enjoying the feeling. She was moving her pussy and ass slowly around our cocks deep in her making them slowly come back to life.

Amazed, Keni asked, "How much of us can you take?" Alexa looked at me and said, "As much as I can get. This has been a fantasy of mine for a long time and I want to be sure I enjoy it for as long as I can." With that, Keni began moving in and out of her. I began pinching her nipples and my cock was slowly coming back to life.

She took both of our cocks out and we stood up in front of her. She then took them in her hands in front of her and began sucking one while massaging the other. She looked up at us and said "Now when you're ready, fuck my mouth and cum in my mouth. I want to compare and see how each of you guys taste." We got on our knees in front of her on the bed and she sucked Keni off first and swallowed his load. Then it was my turn and she stroked and sucked me until I came one more time. She laid on the bed content after that.

Keni and I found spots on the bed and laid down trying to catch our breaths. Then much to my surprise she said that she wanted to do it again in a week or so, after her pussy and ass have recovered.

I like to lay around by the pool and sunbathe with as little on as possible. Sometimes this becomes a problem for the nosey neighbors. But today, their grown son is visiting for the weekend and I think he likes what he sees. So, I invited he over for a bit of fun in the sun, until we took it took it in the house.

#### The doTERRA ATHLETE'S KIT

These statements have not been evaluated by the FDA. This product is not intended to diagnose, cure, or prevent disease. Individual body chemistry will affect the results of each oil. Certified pure therapeutic grade essential oils are very potent. Do not use CPTG essential oils past your own understanding. Work with your Wellness Advocate closely until properly educated and confident with your ability to safely use essential oils.

\* The doTERRA business opportunity is robust and growing. While the majority of Wellness Advocates are focused on the use of essential oils for the benefit of their family and friends, for those Wellness Advocates that desire to focus on the building of "for-profit" business by working full-time in achieving the leadership ranks, there is a significant business opportunity as noted above. Of course, each Wellness Advocate's results will depend on the time and effort they put into building their own doTerra business.

I think I know what all men want, and I've got it. As a woman, you are approached by all kinds of men, all the time. Some in subtle ways; others not so subtle. But in the end, you know what all of them want. To get in your panties. Not just your pants, but your damn panties!
